

Be careful extending credit! We are here to help! It's quick, easy, and very affordable!

Don't have time to check out all the information on those credit applications from prospective clients? Don't believe that all the trade references are accurate? What can you do? Well, your association has the answer. It's quick, easy and very affordable. PIASC's relationship with Experian allows us to have access to business reports via the Internet; hence, to receive your requests via email and reply with a PDF of the requested report.

There are three business reports available:

- The Intelliscore is a one-page summary, which gives a credit score from 1-100.
- The Business Profile Report (BPR), which is the complete report.
- Business and Intelliscore Report - Combo

There are also two ways of obtaining your report(s):

Contacting a PIASC Representative

1. Contact PIASC at (323) 728-9500, Ext. 232 or email Abel Soto at abel@piasc.org to request a report.
2. Provide the most current information regarding your prospective client(s).
 - a. Company Name (No Individuals)
 - b. Address
 - c. City, State, Zip
 - d. Phone number
3. You should receive your report within 24 hours.

Running Your Own Report(s)

1. Fill out the "Request for Business Third Party End User Subscriber Code" and submit fax to (323) 724-2327. You can find this form at www.piasc.org under Buying Power.
2. You will receive your subcode via email and a "Do It Yourself" PDF on running reports.

What is the difference between contacting us and running your own report(s)? The preference is up to you. Can't find the time to run reports – contact PIASC. Want to save 15% – run your own report(s).
