An Employee must use forms provided by Us when applying for insurance.

The Employee's insurance will be effective at 12:01 a.m. Eastern Standard time:

CERTIFICATE GENERAL PROVISIONS

Incontestability: We may not contest the validity of the Group Policy, except for the non-payment of premiums, after it has been in force for two years from its date of issue. No statement made by any Covered Person relating to his insurability shall be used in contesting the validity of the insurance with respect to which such statement was made after such insurance has been in force prior to the contest for a period of two years during such person's lifetime nor unless it is contained in a written instrument signed by him. This clause will not affect Our right to contest claims made for accidental death or accidental dismemberment benefits.

Information To Be Furnished: The Policyholder may be required to furnish any information needed to administer the Group Policy. Clerical error by the Policyholder will not:

1. affect the amount of insurance which would otherwise be in effect; or
2. continue insurance which otherwise would be terminated.

Once an error is discovered, an equitable adjustment in premium will be made. If the premium adjustment involves the return of unearned premium, the amount of the return will be limited to the 12-month period, which proceeds the dates We receive proof such an adjustment should be made. We may inspect any of the Policyholder's records, which relate to the Group Policy.

Misstatement Of Age: If a Covered Person's age has been misstated, premiums will be subject to an equitable adjustment. If the amount of the benefit depends upon age, then the benefit will be that which would have been payable, based upon the person's correct age.

Payment Of Premiums: No insurance provided by the Group Policy will be in effect until the first premium for such insurance is paid. For insurance to remain in effect, each subsequent premium must be paid on or before its due date. The Policyholder is responsible for paying all premiums as they become due. Premiums are payable on or before their due dates at Our Home Office. A Grace Period of 60 days from the Premium Due Date will be allowed for the payment of each premium after the first premium payment. During the Grace Period, the insurance will remain in effect provided the premium is paid before the end of the Grace Period.

Premium Rate Change: We may change any premium rate on any of the following dates:

1. any Policy Anniversary;
2. any Premium Due Date; or
3. the date any of the Policy's terms are changed.

Following the first Policy Anniversary, We may change the rates on any Premium Due Date, but not more than once in any 12-month period. We will notify the Policyholder in writing at least 180 days prior to the change in rates.

Termination of the Group Policy: Insurance under the Group Policy will terminate on the earliest of the following dates:

2. the date the Enrolling Group terminates the Group Policy. The Enrolling Group must give 31 days advance written notice to Us.
3. the date on which the Enrolling Group fails to comply with or intentionally makes material misrepresentation relating to the Group Policy.

1. 75% of all eligible employees of an Enrolling Group, if the Enrolling Group contributes partially towards the cost of insurance;

LIFE INSURANCE FOR COVERED PERSON

Death Benefits: We will pay the Covered Person's beneficiary the amount of insurance in force on the date of death when We receive satisfactory proof of a Covered Person's death. The benefit will be paid in accordance with the beneficiary section.

Assignment: Life Insurance as provided by the Group Policy may be assigned as an absolute assignment only. In making an assignment, the Covered Person must transfer all his present and future ownership rights to the person to whom he assigned the insurance. This includes the right to change the beneficiary and to convert the insurance. The Covered Person may not make a collateral or partial assignment of his insurance.

Beneficiary: The Covered Person's beneficiary will be the person(s) he names in writing to receive any amount of insurance payable due to his death.

The Covered Person may name or change a beneficiary by giving Us written notice at Our Home Office on a form acceptable to Us. When We receive the notice, it will be effective on the date made, subject to any payment We may have made before We receive it.

If the Covered Person names more than one beneficiary, those who survive will share equally unless the Covered Person specifies otherwise. If there is no named beneficiary living at the Covered Person's death, We will pay any amount due to the estate or, at Our option, to his:

1. legal spouse;
2. natural or legally adopted children in equal shares; or
3. estate.

Settlement Options: Instead of a single payment, the Covered Person may choose to have all or part of the insurance paid under one of the settlement options We have available. We will give the Covered Person full information about the options upon request.

If the Covered Person has chosen an option, no one may change it unless the Covered Person consents in writing. The Covered Person's beneficiary may choose an option within 60 days after death if one has not been chosen.

Conversion Privilege: The Covered Person may convert:

1. all or part of his Life Insurance to an individual policy of life insurance, other than term, if his insurance terminated because he ceases to be a member of a class eligible for insurance;
2. the amount of insurance to an individual policy of life insurance, other than term, that is lost due to a reduction of insurance because of age;
3. a limited amount of insurance to an individual policy of life insurance, other than term, if he has been continuously insured under the Group Policy (or the policy it replaced) for five years and the insurance terminated due to termination or amendment of the Group Policy. The amount the Covered Person may convert in this case is the smaller of the following:
 - a. the amount of Life Insurance which terminates, less the amount he became eligible for under any group Policy within 31 days after this insurance terminated; or
 - b. \$10,000.

The Covered Person may convert to any policy, other than term, We are issuing for the purpose of conversions. The conversion policy will not have disability or other supplementary benefits. No evidence of insurability will be required. Written application and the first premium payment for the conversion policy must be received in Our Home Office within 31 days after his insurance terminates. The premium will be based on the amount and the form of the conversion policy, and on his class of risk and age on the date the conversion takes effect.

LIFE INSURANCE FOR COVERED PERSON (continued)

If the Covered Person dies within the 31 days allowed for making application to convert, We will pay the amount he was entitled to convert. We will do this whether or not application was made.

A conversion policy is in lieu of benefits under this section of the Group Policy. However, if the Covered Person is qualified for the Waiver of Premium-Total Disability provision, the converted policy will be cancelled. Premiums paid for the converted policy will be returned.

Amounts of insurance that the Covered Person has ported will not be eligible for the Conversion Privilege unless the Certificate of Portability is returned.

The conversion policy will take effect on the later of:

1. its date of issue; or
2. 31 days after the date this insurance terminates.

The insurance under the Group Policy may be reinstated within one year after termination of employment, if the Covered Person has converted and he:

1. gives Us proof that he was Totally Disabled when his insurance terminated and that his insurance would have continued in force under the Waiver of Premium-Totally Disabled provision if he had not converted; and
2. surrenders the conversion policy to Us without claim in return for premiums paid less any unpaid policy loans.

WAIVER OF PREMIUM – TOTAL DISABILITY FOR COVERED PERSON

We will continue the Covered Person's Life Insurance in force without premium payment while he remains Totally Disabled if he:

1. becomes Totally Disabled before age 60;
2. remains Totally Disabled continuously for six consecutive months; and
3. gives Us proof of Total Disability, as required.

We will waive the Covered Person's premium payment on a monthly basis, beginning the first day of the month after the month he became Totally Disabled. We will refund any premium paid for the Life Insurance after that day. We will not refund premiums for any period more than 12 months before the date proof of disability was furnished. This Waiver of Premium will continue to be effective even if the Group Policy terminates after the Covered Person becomes Totally Disabled.

Amount of Life Insurance Under the Total Disability Benefit: The amount of insurance continued would be the amount in force on the date the Covered Person became Totally Disabled. This amount will be reduced or terminated, based on the Schedule of Benefits in effect on the date of Total Disability. This amount will not be increased while the Covered Person remains Totally Disabled. All other Benefits will be terminated.

Death While Totally Disabled: If the Covered Person dies while his Life Insurance is being continued under Waiver of Premium, We will pay the amount of insurance if We receive proof:

1. of the Covered Person's death; and
2. that Total Disability was continuous from the date it began to the date of death.

Proof of Total Disability: We will provide forms which the Covered Person must use when giving Us proof of Total Disability. The Covered Person must give Us proof no later than 12 months after the date he became Totally Disabled. We may at any time require proof that Total Disability continues. The Covered Person must give Us proof within 60 days after Our request. After the Covered Person has been Totally Disabled for more than two years from the date of Total Disability, We will not request proof any more than once a year. We may require the Covered Person to be examined, at Our expense, by a Physician of Our choice.

Total Disability or Totally Disabled: For purposes of this section, the Covered Person will be considered Totally Disabled if he is unable to perform each and every duty of his occupation at his customary place of work and he is unable to do the material and substantial duties of any job suited to his education, training or experience.

Termination of the Total Disability Benefit: The Covered Person will no longer be eligible for the Total Disability Benefit and his Life Insurance will terminate on the earlier of the following dates:

1. the date the Covered Person ceases to be Totally Disabled. However, if he is still eligible for Life Insurance when he returns to Active Work, his Life Insurance may be continued in force if premium payments are resumed. If this is done, any increased amount of Life Insurance he may then be eligible for will take effect as described in the Effective Date of insurance provision; or
2. the last day of the 60-day period following Our request for proof of Total Disability, if he does not give Us proof or refuse to take a medical exam.

If the Covered Person's Total Disability ends and he does not return to Active Work, then the Covered Person may exercise the Conversion Privilege.

ACCELERATED DEATH BENEFIT FOR COVERED PERSON

If while insured under the Group Policy, the Covered Person becomes terminally ill (called the “qualifying event”) with a life expectancy of less than 1 year and the Covered Person has met all of the conditions set forth below, We will pay the Covered Person the amount of insurance as shown on the Schedule of Benefits

The Covered Person may elect to receive an Accelerated Death Benefit amount that is less than 50% of his Life Insurance Benefit amount. However, an Accelerated Death Benefit payment against the Covered Person’s Life Insurance Benefit can only be made once in the Covered Person’s lifetime.
