

**BENEFITS OF INTEGRATING
CREDIT CARD
PROCESSING
WITH YOUR EPMS SYSTEM**

WEDNESDAY, SEPTEMBER 9, 2020 • 10:00 AM – 11:00 AM PDT • **FREE FOR MEMBERS ONLY**

The Enterprise Print Management Solutions (EPMS) system is a complete estimating, production and accounting solution for the printing industry. EPMS enables you to greatly streamline operations and increase workplace efficiencies. One way to streamline things even further is to combine it with your credit card processing. MONA Payment Solutions, a PIASC Preferred Partner, offers a payment gateway that seamlessly integrates with EPMS.

You'll learn:

- Solutions that EPMS provides, along with a brief demonstration of key features.
- Solutions that MONA provides to reduce your net operating costs.
- How MONA's merchant services and EPMS' software work together to streamline operations and increase workplace efficiencies.
