

We have exciting NEWS!

We Are Now the Printing Industries Association, Inc.!

Exciting news: With a decisive 96% “yes” vote, our membership has approved a much-needed updating and simplifying of our organization’s name. To reflect the fact that we have expanded to serve printing and graphic communications industry businesses in 13 western states, the Printing Industries Association, Inc. of Southern California (PIASC) is now the Printing Industries Association, Inc. (PIA). Our new tagline: *Services for Graphic Communications*.

While our name is new, our mission, services and value remain unchanged. The Printing Industries Association, Inc. exists to support and advocate for the graphics industry, doing all we can to help members like you succeed. Human resources support, technical assistance, no-cost employment services, discount programs, news and more are all included with your membership dues. Training, group medical benefits, commercial insurance, our multi-employer 401(k) plan and other services are also available.
