## Your HR Compliance Checklist Webinar

While 2026 may not bring a sweeping set of new **California** employment laws, the changes that took effect in 2025 have raised the bar and now define what compliance looks like in 2026. This webinar will break down the most important 2026 updates, along with the 2025 laws that continue to shape employer obligations and day-to-day HR best practices.

Staying in compliance can be challenging, but failure to comply can be costly. Don't miss this chance to hear from our HR expert on what you need to know to reduce risk.

### What we will cover:
